

# Woolys Off Road

## Attention

- Arm bands on your arm
- No riding in any creek ever
- Stay on existing trails (A few tracks in the grass is not a trail)
- Stay slow in the parking lot
- Do not ride on the road

Rules on other side

## Wooly's Rules

Wooly's Off Road Club inc. wants to provide safe yet fun area to ride while not offending our neighbors.

- Every person entering the property must sign a Liability Release Form. Stop by the building before unloading and check in. Visitors under 18 years old will need the signature of a parent or guardian on the form also. You are welcome to print this form get it signed and bring it with you.
- Drivers, passengers, and spectators admission price is \$10.00 per day. Young (under 10) children are free unless they are driving a vehicle.
- We open at 8:00 am and close at dark. We only allow riding after dark on special night ride events.
- Helmets are required on ATV's and Dirt Bikes.
- Seatbelts should be worn at all times in other vehicles.
- Mooresville Road and Coyle Road are public roads running through the property. Don't ride on the road. Crossing the road in front of Wooly's is okay riding up and down the road is dangerous, illegal and aggravates the neighbors. Please stop and look both directions before entering any road. Remember these are public roads. Please obey traffic laws and treat the property owners along the road with respect.
- Camping is allowed at no extra charge. See Wooly for camp site directions.
- Keep it slow and quiet in the parking lots (the field around Wooly's building and across the road). This will reduce the noise around neighboring houses and it is much safer. There are lots of parked vehicles and people walking around.
- A complete muffler including the baffle is required
- No littering! Use the dumpster in the parking lot or the trash cans in the building.
